Dylan Thomas "A Visit to Grandpa's" - an Analysis Anja Moeller, 2009-03 Seminar paper from the year 2002 in the subject English Language and Literature Studies Literature grade 1.5 A University of Tübingen English Seminar University Tübingen course Version of Welsh 8 entries in the bibliography language English abstract I have chosen the short story A Visit to Grandpa's from Dylan Thomas book Portrait of the Artist as a Young Dog because for me it reflects a close relation between himself as a child and the countryside of Wales and how he felt and what he experienced there In my first section I want to point out the changes in Dylan Thomas's writing and how the story A Visit to Grandpa's is connected with his own life and the time when he grew up Linked to his own life then comes a kind of comparison of his childhood and our the reader's memory of childhood will follow In the main part I give a short description of the story and an introduction to the different characters In connection with the description of the story I point out important things about atmosphere and characters in the narration and I want to connect parts of the story to the appearing situation and atmosphere In addition to the explanation of the plot the occurring dreams will be mentioned and I try to explain what they might mean The last part about the style of writing deals with the way Dylan Thomas wrote the short story A Visit to Grandpa's Then in the conclusion I want to bring together what I have said before and try an attempt why an adult reader still understands the feelings and problems in this child story

Dylan Thomas John Ackerman, 2016-07-27 That brilliant commentator on Dylan John Ackerman Andrew Sinclair Dylan Thomas Poet of his People John Ackerman's highly acclaimed study of the poems and prose works of Dylan Thomas traces his development as a writer linking this for the first time with his Welsh background The formative influence of Swansea on the young poet his family roots in West Wales and the childhood visits to Fernhill farm and the nearby Blaen Cwm cottage are all included together with the Boat House and Laugharne the absorbing village life and the inspiration of its now famous land and sea scapes The impact of Welsh nonconformity and the chapel and the radical politics of Wales are also explored as important influences on the poet's career The 1994 preface together with the introduction throws new light on later poems like Prologue the poet's work in film broadcasting as reader and as lecturer while his own newly discovered words sharp and witty and with a poet's eye highlight his life times and craft The kaleidoscope of his changing worlds is seen in his homes in Wales and England and his need in each one for a separate place to write whether the hillside shed in Laugharne or a gypsy caravan in Oxfordshire or Camden
